

## ADULT PARTICIPANTS NEEDED FOR RESEARCH INTERVIEWS

Docket number: H0015018

### Hereditary diffuse gastric cancer (CDH1): process of discovery

Seeking people who have tested positive for the CDH1 marker, their family members, and involved health care providers to research 1) the process of discovery related to the CDH1 gene marker and what decisions take place after a person tests positive for the marker, and 2) any influence on the discovery and decision-making process from family and health care providers.

Participants will receive a \$50 gift card for each interview

To participate, please contact:

Cheryl Hersperger MS.RN.PHNA-BC. PhD. Student

Assistant Professor, Worcester State University

Student: University of Massachusetts Graduate School of Nursing
